## Itinerary

A great way to start your day — **Sprouts Café** in Berri displays local art and has a local produce menu and great coffee. Pop straight over the road to the **River Lands Gallery** for more local art and then head on to **Italo Vardaro's** photographic studio just down the road in Berri. Next make an appointment to see **Coongalena Cottage Art Studio** or **Tony Smith Studio** in Lyrup and cross the river on the **Lyrup Ferry** on your way. **Ruston's Rose Garden** in Renmark is a great spot for lunch and displays paintings and sculptures, including corrugated iron kangaroos and pelicans. For something a little different, make an appointment at **Aussie Eggshell Carvers** or view the magnificent **Bush Ranger Ceiling Mural** at the **Frank Harding Collection**, and finish your day in Paringa at **Goanna Hill Gallery**.

Always see who is performing at the **Chaffey Theatre** in Renmark and if there's a show on – start your evening with an early dinner overlooking the river at the **Renmark Club** or the **Renmark Hotel**.
