## Itinerary

The Riverland's local **butchers and bakers** are the start to a great Riverland barbecue — choose from a wide selection of meats including cold meats for a platter, and if you are here on a Saturday morning, head to the **Riverland Farmers' Markets** in Berri and source fresh fruits and veggies, chutneys and relishes. All of our river towns have local bakeries with fresh baked loaves and buns. Then all you need to do is choose a great public barbecue area by the beautiful River Murray, and spend the afternoon or evening relaxing and savouring the view.
