## Itinerary

Take the kids for a ride over the **Morgan, Cadell or Waikerie Ferries** on the way in to Waikerie's **Havenhand Chocolates** for a chocolate treat and a great coffee. Head on to **Benson Park Horse Riding** for a ride through some beautiful river country and pop in to **Banrock Station Wine and Wetland Centre** for lunch and a walk through the wetlands on the boardwalk, or if you've got "littlies" consider a picnic lunch on the lawns at **Barmera's Playspace** overlooking Lake Bonney. Lake Bonney is a sandy aquatic playground suitable for all ages, so take advantage of nature's playground. The **Monash Adventure Playground** is next where you can relax and let the kids burn off some energy. The **Monash Adventure Park** offers a giant maze, leaning climbing towers, a tree house, a rope bridge, basketball courts and lots of other play equipment. Enjoy a game of ten pin bowling or laser force at **Berri Bowland** and finish the day with a meal at the child friendly bistros at the **Berri Resort Hotel** or the **Loxton Club**, which boast an indoor playground.
